

# THE 8<sup>th</sup>

## INTERNATIONAL CONFERENCE ON FOOD, NUTRITION, HEALTH AND LIFESTYLE 2026

16<sup>th</sup> - 17<sup>th</sup> November 2026

Bali, Indonesia

*"The Blue Lifestyle Revolution: Marine Nutrition, Economic Value, and Sustainable Living"*

# ABOUT

The International Institute of Knowledge Management (Tiikm) is an Entity That Facilitates the Purpose of Knowledge Transfer by Constructing the Career of the Research Fraternity, Empowering Decision Making in the Corporate Sector and Promoting on Quality Decisions for Policy Makers Through Academic Conferences. A Vision of Transforming the Asian Research Culture to Betterment is Made Possible in Tiikm Conferences by Setting Novel Standards for Better People Engagement, Promoting International Exchange Through Research and Bridging Study to Industry. Research Serves as the Fundamental Component for the Development of Ideas and Concepts Leading Towards the Emergence of Innovations That Result in a Deviation From What Was Traditionally Executed and Practiced. Tiikm Creates That Platform to Address The Need of Researchers to Showcase Their Work to the Outside World and Contribute Towards Constructing a Meaningful Future.

## OUR ACHIEVEMENTS

The background features a stylized illustration of a graduate in a black cap and gown, seen from behind, standing on a dark, rocky terrain. A vibrant rainbow arches across the sky above the graduate. In the background, a globe is visible, partially obscured by the rainbow. The overall color palette is dominated by deep blues and purples, with the rainbow providing a splash of color.

## **TIKM`S RESEARCH FOCUS**

Serving in the Sphere of Research Conferences Promoting Towards the Academic Industry Cohesiveness, Tiikm Conferences Operate Under Seven Main Areas on Research Focus. The Prime Objective in Organizing Conferences Under These Selected Research Areas is as a Means of Addressing the Issues That Are Industry-specific and Global Phenomenon That Obstructs the March Towards a Sustainable Future for All Beings. In the Pursuit of Organizing International Conferences Maintaining Optimum Standard, Tiikm Functions in Constructing The Careers of the Research Fraternity, the Corporate World and Assisting Towards the Implementation of Evidence-based Policies Thus Revolutionizing the Asian Research Culture

# NUTRICON 2026

## EXECUTIVE SUMMARY

The International Conference on Nutrition and Health (NUTRICON) 2026 serves as a dynamic global platform that brings together researchers, nutritionists, healthcare professionals, policymakers, sustainability advocates, food innovators, marine scientists, and industry leaders from around the world.

NUTRICON 2026 aims to explore the future of nutrition through innovative, sustainable, and interdisciplinary perspectives, particularly focusing on marine nutrition, blue economy initiatives, and environmentally conscious living.

The conference creates opportunities for academic exchange, policy dialogue, industrial collaboration, and practical innovation while addressing some of the most pressing global challenges related to food security, sustainable consumption, public health, climate change, and marine ecosystem preservation.

By sponsoring NUTRICON 2026, organizations gain direct access to an international audience of experts, researchers, institutions, and decision-makers actively shaping the future of sustainable nutrition and health.

# CONFERENCE THEME

## “The Blue Lifestyle Revolution: Marine Nutrition, Economic Value, and Sustainable Living”

This theme highlights the growing global importance of marine-based nutrition, sustainable food systems, ocean innovation, and environmentally responsible lifestyles. It encourages interdisciplinary dialogue on how blue economy initiatives, marine resources, and sustainable nutrition can contribute toward healthier populations, stronger economies, and a more sustainable future. NUTRICON 2026 seeks to inspire transformative discussions that connect nutrition science, environmental sustainability, public health, innovation, and economic development.

# CONFERENCE SUB-TRACKS

The conference will cover a broad range of interdisciplinary topics including:

AI in Food Engineering and Nutrition

Innovations in Food Science, Processing & Technology

Sustainable & Climate-Smart Food Systems

Marine, Aquaculture & Animal Nutrition

Nutrition Science, Metabolism & Omics

Clinical, Public Health & Therapeutic Nutrition

Personalized Nutrition, AI & Digital Health

Health, Lifestyle & Well-being Across the Life Course

Nutrition, Disease Management, and Nutritional Therapy

Emerging Food Technologies and Plant-Based Nutrition

Public Health, Sustainable Food, and Food Waste Management

Smart Lifestyle Interventions for Obesity and Metabolism

Nutrition and Non-Communicable Diseases

Nutrition and Mental Health

# WHO WILL BE ATTENDING NUTRICON 2026?

NUTRICON 2026 will bring together a diverse international community of professionals and experts working in the fields of nutrition, sustainability, marine resources, and the blue economy

**The conference audience will mainly include:**

- Researchers and academics
- Policymakers and government representatives
- Industry professionals and business leaders
- Healthcare and nutrition experts
- Sustainability advocates and development organizations
- NGOs and institutional representatives

This unique gathering will provide valuable opportunities for knowledge sharing, networking, collaboration, and innovation on a global platform.

# WHY SPONSOR NUTRICON 2026?

## 01. Access to an International Professional Network

NUTRICON 2026 brings together leading academics, nutritionists, healthcare experts, marine scientists, policymakers, sustainability advocates, and industry professionals from across the globe. Sponsors will have the opportunity to engage directly with an international audience and become part of a dynamic professional network focused on advancing nutrition, sustainability, and the blue economy.

## 02. Brand Visibility and Recognition

Sponsors will receive extensive international exposure through conference branding, promotional campaigns, conference materials, social media engagement, digital marketing initiatives, and networking activities. This provides organizations with a valuable opportunity to strengthen brand recognition among global stakeholders and decisionmakers.

## 03. Showcase Products, Services, and Innovations

The conference offers an ideal platform for organizations to present products, technologies, services, and innovations related to nutrition, sustainability, wellness, marine resources, and blue economy industries. Sponsors will be able to showcase their products on an international stage and directly connect with researchers, professionals, and potential collaborators.

## 04. Strategic Networking and Collaborations

Sponsors will have opportunities to establish meaningful partnerships with academic institutions, researchers, healthcare professionals, NGOs, policymakers, and industry stakeholders. Exclusive networking opportunities, including customized meetings with participants and networking dinner sessions, will further facilitate collaboration and long-term partnerships.

## 05. Corporate Social Responsibility (CSR) and Sustainability Impact

Supporting NUTRICON 2026 demonstrates a strong commitment to sustainability, public health, responsible innovation, and global well-being while aligning organizations with the Sustainable Development Goals (SDGs). Sponsors will also have the opportunity to contribute to impactful global discussions through initiatives such as the Global South Policy Alliance, reinforcing their role in promoting sustainable and inclusive development.

## CONFERENCE VENUE

### WHY BALI, INDONESIA?

NUTRICON 2026 takes place in the vibrant and picturesque island of Bali, offering the perfect backdrop for meaningful interactions.

Attendees will enjoy modern venues equipped with state-of-the-art technology, comfortable meeting spaces, and easy access to top hotels, restaurants, and cultural experiences.

From high-level discussions to informal networking moments, Bali provides an unforgettable experience where experts in the industry can connect, share ideas, and drive meaningful change.
